

【博士留学生向けキャリアセミナー】

イノベーション人材養成機構（IIDP）では、博士留学生に「日本で就職すること」「日本で就職するにあたり必要な能力」に対する意識を高めてもらうことを目的に、「キャリアセミナー（日本語就職面接講座）」を開催いたします。

- ・東工大博士の進路，東工大のキャリア支援，等（本学キャリアアドバイザー，英語）
- ・日本特有の雇用慣習や就職活動の概観，日本語力の重要性，等（学外の博士キャリア支援専門家，英語）
- ・就職活動体験談やキャリアについて（東工大博士留学生の先輩，英語）

と，盛りだくさんな内容になっており，博士留学生には是非ご参加いただきたいと考えております。また，希望する留学生については，別日に，模擬就職面接（日本語）の機会も設定いたします。

Innovator and Inventor Development Platform (IIDP) organizes a ZOOM seminar for international doctoral students to learn about job-hunting in Japan. **Day1** in English covers comprehensive information on job-hunting in Japan and career path trends at Tokyo Tech.

In addition, Tokyo Tech alumni, who have been working in Japan, will share their job-hunting and working experiences in Japan.

All international doctoral students are welcome to participate in these sessions. We also hold Japanese-language interview trainings on the **Day2**.

International students who can speak Japanese and would like to experience Japanese-language job interviews training are encouraged to participate. We strongly encourage international doctoral students who wish to get a job in Japan to participate in this seminar.

The details are as follows. **【Day 1】**

February 6th, Tuesday, 2024, 14:00-15:50 (online by Zoom, in English)

※Open to all international doctoral students.
